TIPP10 Crack Download For Windows

Tipp10 is an all-in-one typing tutor for Windows. It was designed to teach touch-typing in a fun and easy way. The integrated intelligence feature enables you to improve your typing skills quickly and accurately. Of course, it is also an extremely powerful typing tutor. Tipp10 can be used for all touch-typing beginners: for absolute beginners, for intermediate students or for professionals. Beginners will find it easier to get used to touch-typing. On the other hand, intermediate students will find it easy to get into the correct habits and get to practice their skills. For professionals, of course, a typing tutor is the perfect way to improve their typing speed. If you are a touch-typing beginner, you can take advantage of the intelligence feature and the numerous support functions. You will be motivated and guided to type quickly and accurately. The key of Tipp10 is its extended customizable training modes: you can choose any mode you like. You can create your own practice lessons or practice for new keys. As you play the lessons, you will quickly notice whether you are typing correctly or not. This makes it easy to find mistakes and to correct them. Even if you type well, you can still improve your skills with our customized exercises. The many support functions you find in Tipp10 help you to perfect your touch-typing skills. You can easily choose the support you need from a variety of topics, from the support to the country, the language and the position of your keyboard. You can save your mistakes and continue typing. With a progress tracker, you can see how you are doing and set goals for improvement. With the help of our topical lessons, you will never have to memorize patterns again. With Tipp10, you get to learn to type quickly and to type without mistakes. So the basis of a useful touch-typing tutor is set in place. But Tipp10 also boasts additional interesting features. The intelligent reminder system shows you the correct keyboard positions. You will never have to memorize patterns again. Tipp10 can also be used in more ways than a conventional typing tutor: it can also be used as a virtual assistant. Simply ask Tipp10 to perform any task. You can also set up customized lessons and practice for new keys. You will be motivated and guided to type quickly and accurately. The intelligent support system and numerous support functions make it easy to improve your typing skills. The many customization options make it easy to adapt
