

The newly launched Elden Ring Game is a Fantasy Role-playing Game (RPG) developed by Elden Ring where players can go down a path of up to twelve years of adventure and create their own character. The free-to-play Elden Ring Game provides players the opportunity to create their own character or play a character with a pre-set background and start with a minimal amount of equipment, like a sword. Experience a deep and fascinating story within a world of grand adventure within a mythological setting where the player can choose between six playable races and five legendary units. FEATURES ◆ Story Arc The Story of the Elden Ring Game is composed of three plots: The Myth, The Drama, and The Rise. ◆ Character Creation Players can choose one of the six playable races. For each of these races, select one of the five units. ◆ Endless Adventure The story continues regardless of whether you complete all your tasks. Your adventure-seeking journey will increase as you progress through the story. ◆ Online Adventure Players can take part in asynchronous online challenges where they can play with their friends. ◆ Gameplay ◆ War Mode War Mode allows you to play against 100 different NPCs that will occasionally attack the player. Earn money that you can use to purchase items. ◆ Item Shop Players can upgrade their equipment and magic by forging items in the Item Shop. Players can also enhance the effectiveness of their equipment by equipping equipment that has the same quality as their level. ◆ These are just some of the features available in the game. * Based on a worldwide survey of more than 10,000 people. * The percentage of respondents who answered that they would buy the game. * The percentage of respondents who answered that they would play the game online with friends. * The percentage of respondents who answered that they would play the game at home on their own (e.g., using a PC). * The percentage of respondents who answered that they would play the game in public (i.e., near others). * The percentage of respondents who answered that they would play the game in an arcade. {2}
