It's a story that combines the likes of the best selling novel with some startling social change and the power of the media to get us talking about the things that matter most. From the cover of a bestselling novel to the worldwide audience of the movie, Dickensian explores the story of a life lived to its fullest. This is the first time this story has been brought to life for a major television series. With a stellar cast including David Tennant, Jessica Raine, Bill Nighy, Lindsay Duncan, and John Sessions, Dickensian is a spellbinding and enthralling period drama that asks audiences to re-evaluate the idea of what it means to be human. return new SecureNode(e, options); } abstract getBlock(int options); } public static class ReceiveBlockSecureNode extends SecureNode { private Map properties = new HashMap(); public ReceiveBlockSecureNode(String secureNode, Map properties) { super(secureNode); this.properties.putAll(properties); } @Override public long block(int options) { Map newProperties = getProperties(); newProperties.putAll(properties); return super.block(options, newProperties); } @Override public long receiveBlock(int options) { Map
