Compared to past iterations of the game, FIFA 22 introduces dynamic camera angles that change based on player speed and shooting direction and includes exciting lighting and visual effects that allow players to really come to life on the pitch. FIFA 22 features 1,000 upgraded new animations, with game-changing additions to all aspects of gameplay, including dribbling, shooting, ball control and pass options. Every part of a player's body can be controlled individually, allowing for closer, more realistic soccer action. FIFA Game of the Year editions feature innovative touch controls that are fully integrated with the core gameplay of FIFA. New award-winning Real Player Motion (RPM) controls were specially developed for the FIFA 22 Game of the Year editions. FIFA 22 marks the beginning of the next phase in the creation of the FIFA video game franchise, where real-world data is used to enhance the game experience and immerse fans in the global game-day atmosphere. Much of the game content, including all player and team crests, players, stadiums and kits are all licensed. The majority of player and team licenses have passed sport and cultural fair use scrutiny based on FIFA's previously disclosed content use guidelines. FIFA 22 Game of the Year editions for PlayStation 4™ and Xbox One™ feature various pre-order, bundle and digital content offerings including PlayStation 4 and Xbox One versions of the game with a limited edition FIFA 22 Geisha Girl Beach T-shirt, FIFA 22 Geisha Girl Beach coasters, FIFA 22 Geisha Girl Beach FIFA-themed Nintendo Switch and PC versions of FIFA 22 featuring premium commentary by Clive Tyndall and other enhancements. FIFA 20 is available today for PlayStation 4, Xbox One and PC. FIFA is the best-selling sports video game franchise of all time, and the number one sports franchise of all time across all platforms. It perfectly combines the spectacular beauty of the sport with the authenticity of the real game. The game has been developed by EA Canada and EA SPORTS, and published by Electronic Arts worldwide. FIFA Ultimate Team™ also comes to North America for the first time, with over two million players worldwide, and more than twenty million items to collect. FIFA is the best-selling sports video game franchise of all time, and the number one sports franchise of all time across all platforms. FIFA Ultimate Team™ also comes to North America for the first time, with over two million players worldwide, and more than twenty million items to collect. New features Pro-Manager mode: Master your squad, build strategies and most importantly win those games you can't afford to lose. You'll learn how to build from zero and how to build a competitive team using your budget, available transfer funds and squad morale as a guide. Post-Match Review: In FIFA this year, you'll have the chance to award your team a BONUS POINTS in post-game reviews for wins and losses. You'll also learn how your team performed relative to the context of the match and how you can improve as a manager. Pro-Coach: Put your team to the test, take the control in the dugout and be the boss for a day! Test your talent by arranging training sessions to fine-tune your team, or go on a raid to unlock new abilities for your players. I cannot afford this game. There was a time when I could, but it's really expensive now. This is the type of game that I used to love and spent hours on but now it's just not worth the money because it's priced so much higher than it used to be. Well it's only fair since they changed the cover. I guess FIFA is always a fantastic game, but this one is just not worth buying now. WORTH: MONEY Verified Purchase: YES The only FIFA game I've ever paid for. This is not bc9d6d6daa

Using a deep customisation system, evolve players into their very best form. With all-new gameplay enhancements and World-Class management tools, Ultimate Team truly immerses you into the world of football. The Journey - The Journey takes place in a realistic, all-new 3D environment, with stunning graphics and a new Story Mode that provides a deeper insight to the social aspects of the game. The Journey will allow for interaction between players and real people, as well as provide the player with a personal story to follow throughout his career. The Journey will be available only via the PS4 software. HIGH-TECH COSTS: FIFA 20 continues the tradition of delivering the most authentic football experience with the best gameplay enhancements ever. With all-new AI, physics, player intelligence, and animations, the game features new areas of focus including: In-Game Shot Control: Progression Shot Control combines player positioning and player direction to deliver truly intelligent free kicks. Passes: On-the-ball player movement from a pass is authentic and realistic. Ball Physics: To add more depth, the ball behaves like a reality and shows realistic deflections, drop off, and flight effects. New Match Settings: Both players and spectators are fully modeled and animated in a new match setting, complete with crowd noise and atmosphere to more accurately recreate a match-day experience. When I first picked up a controller to play FIFA I was hooked in seconds. From the kick and run animations that perfectly synced with the visuals on screen, to the play and movement of a football, I found myself completely immersed in the game. FIFA 20 has just the right amount of time management features (in your career) that will keep you coming back for more. The gameplay is fantastic, and FIFA continues to deliver a very entertaining experience. The online games are competitive and their AI seem to be on par with the real thing. As a fan of FIFA and football in general I will continue to support the series for many years to come. Pros: Great soccer game that I loved with FIFA 17 Cons: This year's game isn't as polished as last year's, but still a great game Does it Hold Up?: Yes Ratings (out of 10):8.5 Recommendation: I'm a football fan and I love to play FIFA, so I don't think many people can ignore this game on a yearly basis. This year's
