Blessed with deep elegance and a magnificent depth, this game is exhilarating and rooted in the roots of Japanese culture. Through a combination of uniquely-developed features and content, the game is a fantasy action role-playing game that has heart. Supported with the beautiful graphics of the PlayStation®4 system, the game will leave a deep impression on you. (Visit our website for more information.) CREATE YOUR OWN CHARACTER. RISE, TARNISH, AND BE LEAD BY GRACE. Character creation options include changing the appearance of your character, choosing weapon and armor combinations, and customizing your character's background. You can freely combine a variety of equipment at the beginning of your quest. You can also customize your character's gear and abilities to suit your play style. As you embark on quests, you will grow in strength. An epic drama born from a myth. An exciting story that expands upon the myth of the Elden Ring. A vast world full of excitement and a great atmosphere. You can explore a world that has an open architecture. There are no predetermined areas. As you progress, you will find paths leading to places where you can challenge the path ahead. A large number of objects are scattered around the world. Large open areas and varied content from monsters and characters to NPCs are hidden around the world. A dynamically changing world created by the character you customize. The location of the characters, monsters, and NPC enemies change every time you load the game, giving the game an unpredictable feel. High-quality in-game graphics and vivid sound. Gorgeous graphics and high-quality in-game content. A mysterious mythology. A myth that is centuries old is resurrected in the game. A vast world full of everything from lush forests to dense forests. A large number of characters are scattered around the world. You can interact with them in different places. A large number of items can be found in the game. Items that can be used to enhance your stats. You can search for items you want by talking to the NPCs in the villages. The game features seven main quests, which make the quest experience more interesting. The seven main quests are the continuation of the story told in the game. Much more in-depth

Thu, 14 Aug 2019 15:50:43 +0000Wiki Feature of the Month: Elderen; What is Elden?Dafdigen: Elderen; What is Elden?The types of shapes a sphere can be divided into are===== =====>Daedalian>Long known to the Elden, this fact has since been used to confirm that the world is round.13 9 6 7 ===== =====A year before the advent of money, billions of aristocratic families had a tendency to inherit their various estates from three people in the line.===== =====Elden have a really high value as a usable currency. They are traded for, but are only good for trading with other Elden and for items.===== =====The land of Elden extends across the above average continents of The Northern Archipelago, which is very close to The Golden Continent. The continents border one another. They are constantly in a state of conflict, along with The Kingdom of The Dragon Kings, because they are on verge of going to war with each other. The land is in war against the land where the Squallians are (The Kingdoms of both serve The Deamons, a mythical Civilization that is Obscure, as the Elden believe that the Deamons are a serie of water-breathing creatures, but the Deamons are ferociously pursuing the Deamons with their own ships, because they want to become the elder, thus both continents are battling each other and dominating over their lands. Across each continent, there are several peoples who interpret the Deamons
