AutoCAD Crack+ Free For Windows

home screen * **Autocad:** - On your home screen. - Tap and hold, until the actions menu appears. - Select "move to" or "remap" - Select where you want the shortcut. - Finally, tap "apply".

What's New In AutoCAD?

Professional option for importing feedback has been upgraded to import an unlimited number of printed paper and PDFs into your drawings without the need for a scanner or additional application to capture the feedback. (video: 1:29 min.) Powerful new Markup Assist feature added to the Professional Plus license. Use simple commands and dialogs to add, move, and resize text objects to the drawing. Use the new text tool to draw/edit text in any location and the new Markup Assistant to set up attributes and modify the text. (video: 1:31 min.) Model Space Offsets: You can now specify offsets for both XYZ (relative) and Object space. Let users work in objects' origins to improve precision. (video: 1:01 min.) New 'Model space offsets' dialog to help you specify model space offsets for objects in drawings. Use the 'G' key to set offsets in XYZ or Object space or 'M' to set the offsets in the current model space. (video: 1:16 min.) Add files to batch import: Now it is possible to add a file or files to the batch import dialog box with the new 'Add to import' tool. (video: 1:18 min.) New 'Add to import' tool to add a file or files to the batch import dialog box. (video: 1:19 min.) Selection Masking: Let users edit a selection for any view by duplicating and pasting it. Now you can duplicate a selection mask to other views. (video: 1:17 min.) Duplicate a selection mask by right-clicking or the 'Make Duplicate' tool in the selection dialog box. (video: 1:20 min.) Measure and draft 2D: The new Measure and Draft 2D commands let you quickly create a 2D drawing. Use the Edit & View option on the main menu to create a draft of a 2D drawing. (video: 1:15 min.) New Measure and Draft 2D commands, available on the main menu Edit & View. (video: 1:25 min.) Measure and Draft 3D: With the new Measure and Draft 3D commands, you can create a 3D drawing directly from a 2D drawing. (video: 1:18 min)

System Requirements For AutoCAD:

Additional Notes: Digital: DLC Installations made with this mod are not compatible with “Tropico 5”, “XCOM”, or “Tropico 4”. For instance, installing “XCOM: Enemy Unknown” via Steam will not work with “Tropico 5” or “XCOM” DLC. Get Tropico 5! If you want to support the development of this mod, then you can buy it for 10% off via my online shop:
