Poesias de A Vidro:.. Conexiono a VPN gratis y descargar torrents. Torrents gratis. Zip File To Zip File When Serial Key1. Field of the Invention The present invention relates to a spread-spectrum communication apparatus and a spread-spectrum communication method which communicate by code spread modulation using a pseudo noise code. 2. Description of the Prior Art Conventionally, with spread-spectrum communication, it is necessary that an information signal and a pseudo noise code (hereinafter, referred to as a code) identical to the code of a transmitting apparatus are respectively assigned to be multiplied by an information-data symbol at a transmitting side. The transmitting apparatus causes one code to be assigned to each of N information-data symbols to be sent out to the transmitting side as one symbol period during communication. In the above-mentioned prior art, when a code which is assigned to N information-data symbols, is multiplied by each of the N information-data symbols, N codes generated from the transmitting apparatus are simultaneously transmitted and reproduced at a receiving side. Therefore, the receiving side is required to carry out demodulation with respect to N codes by one process of decoding, so that processing load of the receiving side increases. The above-mentioned prior art is disclosed in Japanese Patent Laying-Open Gazette No. 250247/1987 (Tokukaisho 58-250247), for example.Q: Can't install mysql-workbench I'm trying to install workbench for mysql on ubuntu server 12.04. I've followed the installation procedure with the manual and with the guide on a ubuntu 12.04. I've installed mysql-workbench dependencies with: sudo apt-get install libmysql-workbench4 libmysqlclient-dev It seems to be good, but when I execute the command sudo apt-get install mysql-workbench I have this error: Reading package lists... Done Building dependency tree Reading state information... Done E: Unable to locate package mysql-workbench Any idea? Thanks.
