Another one here.. And won't you want to know more about the brilliant doing (or as some people might say, being) of Old New. First of all. Old New is a relatively new brand with their first product launching in 2015. They're based in the UK, however, I'm fairly confident they will be adopting different packaging structures in the near future (or at least, that's my best assumption based on the rising popularity of their products!) Oh, and if
